

Pac-All-Products (Pty) Ltd

For All Your Packaging Solutions

COMPANY PROFILE

REVISED EDITION

ABOUT THE COMPANY

Pac-All-Products (Pty) Ltd was established in March 2005, by Mr Levi Malebana the Managing Director (M.D). The main order and nature of the company is to provide packaging solutions by means of quality products and services to its valued clients as well as to build and maintain a good relationship with its trusted suppliers. Pac-All-Products is a supplier of a wide range of Packaging Products / Materials such as; Stock-Boxes, Tapes, Plastics, Strapping, bubble wraps, boards etc.

Since its inception in March 2005, Pac-All-Products (Pty) Ltd has grown from strength to strength. With a combined experience of 90 years in the industry, the M.D and his staff have confidence in themselves and in the products they supply. Due to the huge market out there with the need for packaging, Mr Malebana feels that there is a great opportunity to create or turn a need into profit, and it is this that drives him to remain focused.

We have an innovative and creative team of talented individuals; we are able to find original and imaginative solutions to almost all packaging challenges. We are able to more than satisfy our customer's packaging requirements by supplying at the required time, quantities and at the appropriate price.

Our customers count on our quality, lead time, capabilities and problem solving abilities to keep them ahead of their competition.

VISION

To be a dynamic company where everyone enjoys anticipating and responding to customer needs to the mutual benefit of our customers, our employees and our shareholders while creating, developing and sustaining employment.

MISSION/OBJECTIVE

Pac-All-Products aims to become one of the leading manufacturer and distributor in the packaging industry utilising the strong relationship established with customers and its position as one of the BEE suppliers, as well as deliver unique applications for unique needs.

CORPORATE STRATEGY

Our strategy is to focus on private and public sector providing tailored products and services that add value. Understanding our customer's value proposition through the formation of strategic partnership with our clients that will lead to a long term relationships and providing Custom-Built Solutions to each customer in an efficient manner.

In keeping with our broader goals of improved service, the company endeavours to have established alliance partnerships to accommodate our customer's needs.

Furthermore in order to achieve our Vision, Pac-All-Products commits to and depend on the generally accepted and recognised best practices of business sustainability in the supporting and maintaining approach as follows:

- To train and empower all our staff across our core competencies enabling the supply chain demands allowing for the shift and transition that converts the company on becoming a value chain management driven enterprise.
 - Aligning gazetted best procurement legislation for all of our financial activities targeting a broad based empowerment business approach in the acquisition of quality of service and intelligent products that deliver low costs, tariffs and prices for key customer growth and benefits.
 - Becoming intimate in the business partnership that facilitates a longer term relationship by demonstrating to customers, companies and organisation at large that business involvement is about business solution rather than about products.
 - Target focus is attained through experience that confirms the strategic alliances founded on the principles of best practice recognition detecting synergies and synchronisation in the commonalities of business interest.
